Prop. Tax - Payment Notes

Here are some tips on paying your property tax.

- First half of property taxes are due January 31. Second half installment of property taxes is paid to the Pierce County Treasurer.
- Make checks payable to VILLAGE OF BAY CITY.
- Payments can be mailed or dropped at the utility payment box at Handy Mart.
- All payments must be made by check, cashiers check or money order.
- Taxes, dog licenses, invoices and utility payments must be made by separate check. Combined payment checks will be returned, delaying processing of your payments!
- Mortgage companies that requested a copy of the tax bill are marked. If you have 2 parcels but only 1 is marked, your mortgage company only asked for the tax bill that is marked.
- Copies of the tax roll listing are available on the website at www.baycitywi.org under *The Village and Forms*.
- All homeowners will be sent a receipt, even if the bill was paid by a mortgage company. If you did not receive a receipt, consider it UNPAID.
- If you have questions, please call 715-594-3168.

Garbage & Recycling

Garbage is picked up on Wednesdays of each week. You should have your garbage and recycling out by 6AM on pickup days.

Recycling is picked up on the 1st and 3rd Wednesdays of the month. Recycling is co-mingled. Paper and cardboard can go in one container and cans, plastic and glass can be placed in another. All cardboard must be broken down into sheets no larger than 4' x 4'.

Putting recyclables in brown paper bags works best. They will recycle the bag when they pick it up!

BUILDING PERMITS

Building permits (not applications) must be in hand **before** you begin a project. Decks, sheds, garages all require a building permit, even in the mobile home park. If you are not sure if you need a permit for your project, be sure to call the clerks office at 594-3168. There are times, when a building permit is not required.

You may call the clerk for an application or get one from the Bay City website www.baycitywi.org Fill out and return to the clerk with payment. *This should be done at least 2 months prior to start of new home building and 2 weeks prior to the start of all other projects.* Once the clerk has received the completed application with payment, they will fax the application to Galen Seipel, he will issue a permit and mail it to the applicant.

If a permit is **not in hand before** the project begins, the penalty is *double the regular permit fee plus \$10 per day fine plus court costs.*

Parking Ordinance Review

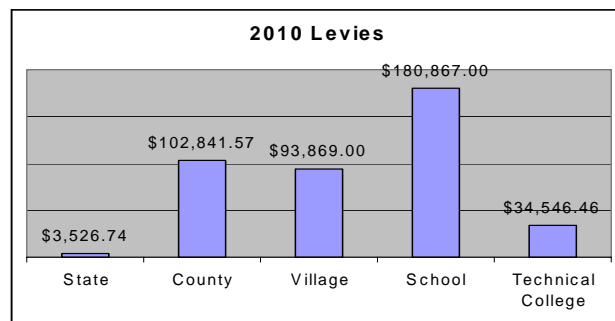

REMINDER there is no parking on any village street between 5AM and Noon of the day following a 3 inch or more snow fall. Vehicles parked on the street during this time are subject to towing at the owners expense and possible citations.

Also, the parking of all/any trailers on village streets is limited to 4 hours. If a trailer is parked more than 4 hours it is subject to towing at the owners expense and possible citation.

The village also has an ordinance that prohibits parking more than 48 hours on village streets year round. Vehicles parked more than 48 hours are also subject to towing at the owner's expense and citation. If you leave town for any vacation or an extended period of time beyond the 48 hours, you should remove all vehicles from the street before leaving.

Dog Licensing

Licensing is a state requirement. All dogs must be licensed by April 1st of each year. If you get a puppy, the dog must be licensed once they reach 5 months of age, regardless of the April 1st date.

The fine for not licensing your dog is \$50-\$500 per dog from the state and/or \$100-\$800 from the village. The cost for licensing is \$10 - \$15. There is a \$25 late fee per dog, for dogs owned, but not licensed in the time frame outlined above.

State law requires the village to turn names of owners with unlicensed dogs over to the district attorney for prosecuting and may be issued a citation from the village. Dogs are to be kept under immediate control at ALL times. Dogs are not to be "running at large". If you let your dog out and they leave your yard, they are "running at large"!

Dogs that are found running at large will be picked up and taken to a designated shelter at your expense and/or a citation issued for up to \$500 per occurrence.

A form is included below for your convenience.
